Your Free Tax Assistant Built for Tradies

Strapped for cash but can't afford an accountant? If you're a tradie trying to claim what you're owed without spending \$150+ on tax help, the Tradie Tax Mate GPT is for you.

What It Is A free AI tool that walks you through your tax return step-by-step. Designed with tradies in mind, it helps you lodge through myGov with confidence and without the accountant fees.

How It Works

1. Log into your ATO myGov account
2. Upload your bank statement (PDF or CSV)
3. Add your work-related receipts

The GPT will guide you from start to finish. Most refunds land within 2 weeks.

Make It Work for You Whether you're trying to:

- Maximise your return
- Get new boots
- Or prep for a home loan application

Ask the GPT to tailor the process to your goals. It can suggest what to include, how to structure your return, and how to explain it to lenders.

What Can You Claim?

- Tools, boots, and PPE
- Work-related mileage
- Phone and internet use
- Union fees and insurance

Even if it's your first time doing your own return, this GPT has your back.
